Appendix 2 - Uniform Accessories & Equipment Policy

1. Gloves

- 1.1. Gloves may be worn by players as long as they:
 - 1.1.1. Are appropriate for basketball,
 - 1.1.2. Do not give additional reach, or grip,
 - 1.1.3. Do not in any other way give an unfair advantage to the wearer,
 - 1.1.4. Are in no way dangerous to other players.
- 1.2. The use of gloves to avoid cutting fingernails is allowable under the current rules of the game, as long as they conform to the above requirements.

2. Fingernails

- 2.1. If an official establishes that a player has fingernails that could cause abrasions, they must enforce the player to:
 - 2.1.1. Closely cut their fingernails to eliminate the threat of causing abrasions (usually not protruding above the finger).
 - 2.1.2. Cover the protruding fingernails with a suitably protective device such as medical strapping tape. (The tape must be applied in such a manner that no sharp edges or corners are created by the taping).
- 2.2. The player may not participate until such time that the referee is satisfied that the nails are appropriately covered.
- 2.3. Where the protective device (e.g., strapping tape) falls off during the game the referee must stop play at the next opportunity and sub the player out of the game in order to remedy the cover. If this occurs more than twice then the referee should instruct the player that they can no longer participate in the game unless the fingernails are closely cut to eliminate the threat of causing abrasions to others.
- 2.4. The referee should prohibit the player from participating in the game in the following circumstances:
 - 2.4.1. Suitable protective measures are not available.
 - 2.4.2. Where a referee is not convinced that such a protective measure will adequately overcome the risk of abrasive injury to others.
 - 2.4.3. The player refuses to cover the offending fingernails.

3. Wrist Bands

- 3.1. The various rubber, leather and silicon etc. wrist bands (power bands) are regarded as objects which may cause injury to other players.
- 3.2. Consequently, players must remove the bands prior to playing or have them covered with adhesive tape, or toweling sweat band, eliminating any possibility of another player getting their finger(s) caught under them.
- 3.3. The player may not participate until such time that the referee is satisfied that the band(s) are appropriately covered.
- 3.4. Where the protective device (e.g., tape) falls off during the game the referee must stop play at the next opportunity and sub the player out of the game in order to remedy the cover. If this occurs more than twice then the referee should instruct the player that they can no longer participate in the game, unless they remove the band.

4. Jewellery, Hair & Hair Accessories

- 4.1. Referees should monitor all players appearance prior to the commencement of the game, in particular look out for rings, bracelets, necklaces, earrings, and obvious body piercing jewellery.
- 4.2. If an official establishes that a player has jewellery and/or body pierced jewellery the following interpretation shall be applied:
 - 4.2.1. Players who wear jewellery which is visible and could cause injury to themselves or to other players shall be instructed as follows:
 - 4.2.1.1. Any player wearing an object that might cause injury (such as those objects listed above) must be politely told of the existence of the rule (referees should not presume that a player is aware of the rule) and be asked to remove the object prior to taking the court.
 - 4.2.1.2. If a player claims that a particular item cannot be removed, the referee should instruct the player that they must cover the object with a suitably protective device such as medical tape. The player may not participate until such time that the referee is satisfied that the object is appropriately covered.
 - 4.2.1.3. Where the protective device (e.g., tape) falls off during the game the referee must stop play at the next opportunity and sub the player out of the game in order to remedy the cover. If this occurs more than twice then the referee should instruct the player that they can no longer participate in the game unless they remove the jewellery.
- 4.3. The referee should prohibit the player from participating in the game in the following circumstances:
 - 4.3.1. A referee is not convinced that such a protective measure will adequately overcome the risk of injury.
 - 4.3.2. Suitable protective measures are not available.
 - 4.3.3. The player refuses to remove or cover the offending object.
- 4.4. Hair Accessories:
 - 4.4.1. Players are permitted to take the court wearing “bobby pins” and/or “one touch” or “snap” clips to hold their hair back. These items pose no threat of injury to any player on the court (see attached photo below).
 - 4.4.2. Players will not be permitted to wear barrettes, bandanas, headbands made of metal, or clips larger than a bobby pin or snap clip – especially those that are present for decorative purposes only. These items do pose a threat of injury, due to their increased size (see attached photo below).
 - 4.4.3. If items in a player’s hair are made from a non-abrasive, pliable material, they may be permitted to be worn, as (by rule) they pose no threat of injury.
 - 4.4.3.1. This includes head scarves or other fabric articles worn for religious purposes held in place by bobby pins or snap clips.
 - 4.4.5. Referees and competition administrators **cannot** prevent a player taking the court if the religious clothing that the player is wearing poses no threat of danger to another player. Common sense must be used in these situations. Any person preventing a player from taking the court due to the clothing that they are wearing for religious purposes may leave themselves open to legal action.

5. Other Equipment

- 5.1. All equipment used by players must be appropriate for the game. Any equipment that is designed to increase a player's height or reach or in any other way give an unfair advantage is not permitted.
- 5.2. Players shall not wear equipment (objects) that may cause injury to other players.
- 5.3. The following equipment is not permitted:
 - 5.3.1. Finger, hand, wrist, elbow or forearm guards, casts or braces made of leather, plastic, pliable (soft) plastic, metal, or any other hard substance, even if covered with soft padding.
 - 5.3.2. Objects that could cut or cause abrasions.
- 5.4. No player is permitted to play with headgear which according to FIBA includes protective helmets.
 - 5.4.1 FIBA ruled that if a player is required to wear a protective helmet for their own health and safety, then their health is at too much of a risk to play the sport of basketball. Also, there is the associated effect on the opposition players as they feel their endeavours and style of play may have to be curtailed when playing against someone wearing a helmet for self-protection.
- 5.5. An appropriate exemption may be made in circumstances where a player provides medical evidence to wear a helmet for their self-protection.
- 5.6. The following equipment is permitted:
 - 5.6.1 Knee braces if they are properly covered.
 - 5.6.2 Protector for an injured nose, even if made of a hard material.
 - 5.6.3 Any colour mouth guard.
 - 5.6.4 Spectacles/eyeglasses/sports goggles if they do not pose a danger to other players.
 - 5.6.5 Headbands, maximum five (5) cm in width, made of non-abrasive, cloth, pliable plastic, or rubber.

6. Medical Jewellery

- 6.1. Medical information wrist bands may be worn by players as long as:
 - 6.1.1 They are in no way dangerous to other players and covered using medical strapping tape or an athletic sweat band.
- 6.2. If the protective device (e.g., tape) falls off during the game the referee must stop play at the next opportunity and direct the player to remedy the cover.
- 6.3. If this occurs more than twice then the referee should instruct the player that they can no longer participate in the game.
- 6.4. Referees must not instruct the player to remove the medical jewellery.

Appendix 7 - Technical Foul/Ejection Policy Senior Coaches & Players

Overview

In keeping with the Codes of Behaviour for the Wanneroo Basketball Association, the use of obscene language or abuse is strictly prohibited and will not be tolerated.

Policy Position

The Wanneroo Basketball Association wish to eliminate poor behaviour by enforcing tough penalties on any players, coaches or officials who receive a Technical Foul for offensive or abusive language.

1. Technical Foul

1.1. Definition

1.1.1. A technical foul is a player non-contact foul of a behavioural nature including, but not limited to:

- 1.1.1.1. Disrespectfully communicating with the officials, the commissioner, the table officials or the opponent.
- 1.1.1.2. Using language or gestures likely to offend or incite.

1.2. Any obscenity whether at another player, official, coach or yourself will result in a Technical Foul.

2. Penalties

2.1. Any player competing in a WBA Senior Domestic Competition that fouls out of a match, then receives additional Technical/Unsportsmanlike Fouls, will have these fouls allocated to them as an individual (personal foul) rather than being allocated as a Bench Tech.

2.2. Further to **by-law 2.1**, any player receiving a combination of two (2), either Technical Fouls or Unsportsmanlike fouls, will be duly disqualified from the match and automatically suspended for the next match within the same competition.

2.3. Any person not participating in a given match but sitting on a team bench that receives a Technical Foul, will result in the usual in game punishment (ie. Foul shot and possession) and will result in that Technical Foul (and any subsequent Technical Foul) being allocated to the Team Contact as per PlayHQ registration. If the Team Contact receives two (2) technical fouls in any one game, they are then suspended as per **by-law 2.2**.

2.3.1. Any person not participating in a given match that acts inappropriately, may be evicted or may be banned from the facility as per the WBA and Facility Management Conditions of Entry.

2.4. Any Player that is disqualified more than three (3) times in the same season will be removed from the Domestic competition.

2.5. Coaches:

2.5.1. Any coach that receives two (2) Technical Fouls (and ejected as a result) in any one game will also receive a one-game suspension from all Domestic Competitions.

2.5.2. Any coach that is ejected more than three (3) times in the same season may be removed from the Domestic competition.

2.6. Penalty Dates are not able to be changed:

2.6.1. The suspension will be served the following game or games after the offence occurs.

2.6.2. Any appeals will be solely at the discretion of WBA Management.

3. Notification

3.1. The Referee Supervisor/Games Manager on duty will advise the player and coach at the end of the game or the Competition & Programs Manager will notify the Team Contact.

Appendix 8 - Sportsmanship Policy

Overview

The following is a score margin management policy as agreed to and endorsed by all Junior Club Presidents.

Policy Position

To be implemented in all grades up to and including Under 14.

When a team is winning by more than 30 points in all Under 12 and 14 grades, coaches and officials are expected to enforce:

1. Half-court defence only – NO full court press
2. No double-teaming or trapping players.
3. Sub and rest stronger players – this will allow other players to develop.
4. Playing 4 players when the opposition has 4 players
5. Most importantly – be a good sport and role model to not only your players, but to the others.
6. No further points are to be added to the winning teams score on the scoreboard until the score falls below the 30-point limit.

Appendix 9 - No Zone Policy

Overview

The following is a No Zone Policy to be used in WBA competitions as per the below guidelines. This policy aligns to the Basketball Australia No Zone policy that is implemented Nationwide.

Policy Position

To be implemented in all grades up to and including Under 14.

1. Definition

- 1.1. Any defence played inside the 3-point line which does not incorporate normal man to man defensive principles shall be considered a zone.
- 1.2. Violations of the “no zone” rule will generally fall within one of the following categories:
 - 1.2.1. One or more players were not in acceptable man to man defensive position in relation to the player they are guarding and the player with the ball.
 - 1.2.2. A cutter moved all the way through the key and was not defended using acceptable man to man defensive techniques (for example, bumping the cutter, following the cutter or switching)
 - 1.2.3. Following a trapping or help and recover situation, the team made no attempt to re-establish man to man defensive positioning.
 - 1.2.4. The team zone pressed and did not assume man to man defensive positioning once the ball had been advanced into the quarter court.

2. WBA Approach and Penalties

- 2.1. If you believe the opposition is playing a zone defence, a Team/Club Official may approach the Games Manager and ask them to check for a potential zone defence being played.
- 2.2. If the Games Manager determines a zone is being played, they will speak to the offending coach and implement the following steps in order:
 - 2.2.1. Ask them to adjust their defence.
 - 2.2.2. Give the coach an official warning.
 - 2.2.3. Instruct the referee to issue a technical foul on the coach.
 - 2.2.4. Any further breaches will result in a second technical foul being issued to the coach.
 - 2.2.4.1 This will result in the coach being disqualified from the game.
