Updated: November 2020

Managers Code of Conduct

All Wanneroo Basketball Association Inc. (WBA) Team Managers are required to carefully read and adhere to this 'Code of Conduct':

- Remember that you are representing the WBA when you are undertaking your role and your behaviour is a reflection of your club and our organisation.
- Never ridicule or yell at a young player for making a mistake, or not winning a game.
- Be reasonable on your players' time, energy and enthusiasm.
- Operate within the rules and spirit of our sport and teach your players that rules and Codes of Conduct are mutual agreements which no one involved should break.
- Lead by example in matters of team control, respect and professionalism to all involved with the sport. This includes opponents, coaches, officials, parents and spectators. In addition, encourage all players to do the same.
- Show concern and caution towards sick/injured players. Follow the advice of a physician when determining whether players are ready to resume.
- Constantly communicate with coaches and players and their parents as to what the team is trying to achieve.
- Never undermine the coach or get involved in coaching from the sideline
- Do not dispute the decisions of officials
- As a Team Manager, you must set the example by being a good role model and reinforce the Player Code of Conduct. In the event you receive a Technical foul or are reported/ejected from a game, you may be called before the WBA to explain your actions.

AGREEMENT...

'As a condition of entry to participate in Wanneroo Basketball Association Inc. events, programs or competitions, I agree to abide by the Coaches Code of Behaviour as outlined above.

I understand that breaches of the above conditions may be referred either directly to my relevant club, to an appointed Management Committee or to a full tribunal, who at their discretion, can impose penalties up to and including the immediate removal of the coach from Wanneroo Basketball Association events, programs or competitions entirely.

For more serious breaches, the Games Manager on duty has the authority to immediately request the removal of the coach from the Wanneroo Basketball Association venue and refer the matter to the Tribunal for further action.

Additionally, I agree that as a Representative Coach, I must not "recruit / poach" players from other clubs within the WBA Inc. Domestic Competition to play in a Domestic club team that I coach, or I am affiliated within the WBA Inc. Domestic Competition.'
